LETTER OF UNDERTAKING

Since changes/deficiencies occurred in the contact information that I provided in the contracts, I hereby irrevocably agree, declare and undertake that any bank account extract, warning, notice, notification, information, any document, any correspondence and online branch passwords to be communicated via SMS (short message service) are sent by BİZİM MENKUL DEĞERLER A.Ş. (INTERMEDIARY INSTITUTION) in line with the following information that I declare;

Unless I inform the INTERMEDIARY INSTITUTION about any change that may occur in my address and contact information, any notification to be sent by the INTERMEDIARY INSTITUTION to my address and/or e-mail in line with information that I declare below and SMS to be sent to my mobile phone shall be deemed to have been sent to me and that I will not encumber the INTERMEDIARY INSTITUTION in any manner due to reasons such as seizure of this password by third parties since passwords used on online branch are sent to my mobile phone via SMS;

Unless I inform the INTERMEDIARY INSTITUTION otherwise, my address and contact information that I declare below are also valid for my other accounts before the STOKC BROKER.
